

Object-Oriented Programming II - CSC145 Lab-07

100 Points

This program is to be completed on your own.

(100 points; 90 points + 10 points for style/formatting and documentation/commenting of code)

Using NetBeans, complete the program located in
CSC145-Lab07-FIRSTNAME_LASTNAME.zip
NetBeans project file.

Note several //TODO comments in the source code. These parts are for you to complete in order to receive credit. Each step is worth 10 points. Rename the project folder you downloaded to

CSC145-Lab07-FIRSTNAME_LASTNAME
where FIRSTNAME and LASTNAME reflect your name.

When done, compress the project folder and upload it via MOODLE before the deadline.
